# SOME MEMBER COMPANIES

## ABOUT JITEM

**JITEM (JITO Innovation, Technology, Entrepreneurship, and Management)** is JITO's Research and Development wing established to enable digital transformation of traditional businesses and provide a framework for new-age businesses to capitalize on the new wave of innovation-led opportunities.

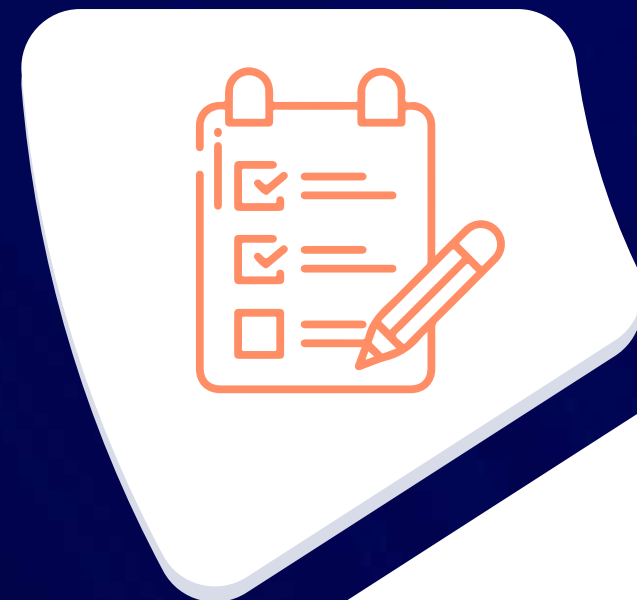

In the next 25 years before India's 100<sup>th</sup> year of independence - '*Amrit Kaal*' - JITEM intends to nurture 100 unicorn companies by entrepreneurs, majorly identified from premier institutes like IIT, IIM, ISB, etc. and engaging them with technocrats and thought leaders from across the world.

# INITIATIVES IN JITEM

## Opportunity Generation Reports

Detailed active reports of 10+ industries identifying trends, technologies, opportunities and threats

## Survey & Intelligence

Collating a database of Jains to validate contribution to India's GDP and to devise plans on how to increase the same

## JITO-Preneurs

An AI-driven tech platform to identify, prepare, and launch tech-enabled new-age businesses

## Experiential Workshops

Curating digitization workshops for corporations and MSMEs to imbibe & capitalize on technology-enabled operations

## Global Economic & Leadership Forum

World's first multi-sector event where Business meets Technology curated for the top Business Leaders, Policy Makers, Investors, Corporations, and Technocrats to discover, discuss and design the future of business
